

Promoting student wellbeing in learning environments.

School Councils Conference & AGM

20-22 April 2018
Delta Edmonton South

The 2018 event will consider student success and wellbeing in the school community.

Sessions will offer elements of wellness, healthy schools, diversity, mental health, and safe and welcoming learning environments.

Wellbeing in childhood and youth is proven to support positive mental health, improve academic performance and contribute to favourable life outcomes.

Providing development sessions, information sharing and resources for the school community, the provincial event offers opportunity to engage with the Education Ministry and network with school council members from across Alberta.

The three day event is Friday, Saturday and Sunday with options to purchase an event pass or individual event tickets.

In addition, pre-session workshops are offered on Friday afternoon starting at 2:30 pm.

The Resource Gallery opens on Friday at 4:00 pm until 7:00 pm with over 30 exhibits displaying products, services and resources relevant in public education.

A “Winners Circle” features a variety of prizes available to be won by delegates visiting the Resource Gallery exhibits.

Saturday sessions, keynote address, and an evening banquet are presented prior to the Sunday business meeting and election of the ASCA Board of Directors.
