

Request for input about **Isolation Rooms in Schools**

Due to the importance of this topic and the Minister's Working Group review, the ASCA Board is seeking a broad perspective of responses from school community members.

*Please submit feedback to the ASCA by **December 15, 2018**.*

Are you answering this survey on behalf of your School Council, or as an individual School Council/School Community member?

Name of School: _____ School District or City/Town: _____

Are you answering this survey as a (check all that apply):

Parent/Guardian _____ School Community Member _____ School Employee _____

1. Does your school have an "isolation" room?

Yes No Unsure

2. What is this room called in your school? (isolation room, quiet room, seclusion room...)

3. Does your school have "general rules" around how the room is to be used?

Comments:

4. What information has administration shared with parents about the use of this room?

Comments:

5. What is your view on these types of rooms?

Comments:

6. Are you in favour of, against, or undecided, regarding isolation rooms?

Comments:

7. Do you think there should be provincial regulations regarding the use of these rooms?

Comments:

Thank you for your input!
