

School Council: Building Bridges

The 2019 event will consider “**School Council: Building Bridges**”, promoting positive engagement in the school community for student success.

Sessions will offer elements of inclusion, diversity, student wellbeing, digital technology, healthy schools and advancing reconciliation.

The work of school council builds bridges in the school community, and becomes a bridge - connecting parents and community members to the school.

Providing development sessions, information sharing and resources for the school community, the provincial event offers opportunity to engage with the Education Ministry and network with school council members from across Alberta.

The three day event is Friday, Saturday and Sunday with options to purchase an event pass or individual event tickets.

In addition, pre-session workshops are offered on Friday afternoon starting at 2:30 pm.

The Resource Gallery opens on Friday at 4:00 pm until 7:00 pm with over 30 exhibits displaying products, services and resources relevant to public education.

A “Winners Circle” features a variety of prizes available to be won by delegates visiting the Resource Gallery exhibits.

Saturday sessions, keynote address, and an evening banquet are presented prior to the Sunday business meeting and election of the ASCA Board of Directors.
