

Fundraising Opportunity - Hand Sanitizing Wipes

As Albertans get back to business this fall, Stride’s goal is to help Albertans get back to business safely. If fundraising is a normal part of your program, we would love to get involved.

For sports organizations or for school programs in need of fundraising, we have come up with an easy way to get your fundraising checked off with a great product that is highly needed in your community.

About the Product	Fundraising Program Features
<p>Stride Products disinfecting wet wipes come in convenient packages of 40. These sanitizing wipes are approved for use as a hand sanitizer by Health Canada, under Natural Product Number (NPN) 80102599. The wipes are made from soft spun laced non-woven fabric sheets that are 185x140mm in size. The wipes contain 75% food grade ethyl alcohol and water, with a few additional additives that act as preservatives and as agents to protect your hands.</p>	<ul style="list-style-type: none"> • 42% Earnings on Sales • Earn \$100 per box, with \$240 in Sales • Selling Point: 4 Packs for \$20 • Product is Easy to Sell; Hard to Find in Stores • Alcohol Based Hand Sanitizers are Useful in Keeping Viruses out of Our Community • Sanitizing wipes will be available as on November 1, 2020 • Minimum Order size is 30 boxes, 48 pcs/box (1 pallet)

About Stride Products

The global COVID-19 pandemic left the founders of Stride Engineering with an abundance of available time to ponder where we could fit in to restarting Alberta's economy. Our support staff pivoted from their normal routines and have been working on importing a product that is hard to find in the local market and can assist Albertans in safely getting back to work. We identified a hand sanitizing alcohol-based wipe, and we initiated a large order that will arrive in September 2020. Because our first order was 95% pre-sold in August, we initiated an even larger order that will arrive by November 1, 2020.

We are proud members of the community. Our children attend Calgary schools and participate in community sports.
