

Respect in School Certificate

Alberta 

I have a legal and moral obligation to act if I see or suspect maltreatment.

BAHD Behaviours are bullying, abuse, harassment, and discrimination and they are more about the impact than the intent.

If I see or hear about inappropriate behaviours, I will follow these three steps:
Report, Support, Keep Kids Safe!

When a bystander steps in bullying stops in 10 seconds 57% of the time.
