

ASCA Conditional Grant Funding request for July 1, 2020 to June 30, 2021 below.

To perform services and deliverables in the following four areas.

All four outcomes aligned with the Education Ministry Business Plan.

The first two were not funded, the second two were selected.

Alberta Education Ministry	Alberta School Councils' Association
Outcomes:	Outcomes:
Alberta's students are successful. 	Parents in public, separate, charter and francophone schools are engaged and contribute to student success, through their involvement in school councils and ASCA, and by working in partnership with teachers, principals and trustees. \$510,000
First Nations, Métis and Inuit students in Alberta are successful. 	School councils contribute to First Nations, Métis, and Inuit student success at local, division and provincial levels, and have enhanced knowledge and understanding about First Nations, Métis and Inuit perspectives and experiences, treaties, and the history and legacy of residential schools. \$15,000
Alberta has excellent teachers, school leaders, and school authority leaders. 	School councils understand and support the Professional Practice Standards, as well as growth, supervision and evaluation practices as they relate to students feeling they belong and are engaged in receiving a solid grounding in core subjects as well as access to a broad program of studies. \$45,000
Alberta's K-12 education system is well governed and managed. 	In consultation with school, division and system leaders, partners and stakeholders, school councils contribute to providing assurance of a quality K-12 education system by ensuring school, division and provincial use of funding allocations, and the development and implementation of legislation, regulations and policies, align with government direction. \$120,000
