

MEETING MONDAY
Monday, April 4th, 2022
7:30 pm

1. Welcome and Land Acknowledgement (5 min)

2. Conversation Café (30 min)

Annual Education Plans, Stakeholder Input, School Community Engagement

When Alberta Education implemented the Assurance Model it changed the timing of creating Annual Education Plans. Plans are now created in the Spring, approved by Boards and submitted to Alberta Education before the end of the school year. This allows for planning to occur prior to the commencement of the next school year as part of the cycle of continuous improvement. ASCA would like to hear how this is happening in your school.

Questions:

- ❖ Has your school division made opportunities for your school council to participate in creating the Division Plan and did you?
- ❖ How has your Principal involved your school council in creating the school's Annual Plan and what process is being used?
- ❖ Will your school council be creating a plan or any initiatives to support the School's Plan?

3. Future Meeting Dates, Topics/Ideas (5 min)

- ❖ Tentative Dates:
May 2, 2022, June 6, 2022
- ❖ Call for topics
