Canadian Foundation for Economic Education (CFEE) – Building Futures in Alberta program

The Canadian Foundation for Economic Education (CFEE) is a non-profit, non-partisan organization, founded in 1974, that works to improve economic, financial, and enterprising capability.

CFEE works collaboratively with our funding partners, departments of education, school boards, schools, educators, and teacher associations to develop and provide free, non-commercial programs and resources for teachers and students – developed and reviewed by educators. CFEE also has a range of programs to assist newcomers to Canada as they look to settle and integrate into their new country.

The **Building Futures in Alberta** program is a program of CFEE. Its goal is to support financial education in Alberta by providing teachers with free access to resources and programs to use in their efforts to improve the financial literacy of Alberta youth.

CFEE has received a grant from the Alberta Government to help improve financial literacy of students.

CFEE is honored to be coordinating the **“Building Futures in Alberta”** resources in English and French for **Alberta Education** will support implementation in financial education and financial literacy for Alberta students, teachers and parents.

Communakit

We sell engaging, effective and easy to use language learning kits for children 3 and up. These kits were carefully designed by a Speech-Language Pathologist of 30 years and are intended to help children: + understand and give instructions + comprehend and construct sentences + understand and use pronouns + expand vocabulary + practice social communication skills + strengthen auditory memory + enjoy language-based activities. The kits contain a multitude of enticing objects that children get to touch and move as they practice listening and speaking. Each kit also comes with 60 picture cards that target important language concepts and are organized into three levels of difficulty so you can start where the child is at and grow from there one step at a time. Anyone can use them: Teachers, EAs, Parents, Speech Assistants, SLPs. No planning or guess work required - we've thought of everything!
