Dear President Rai,

On behalf of Northern Lights Public Schools (NLPS) Board of Trustees, I would like to express our sincere appreciation to the Alberta School Councils' Association (ASCA) for facilitating the *Fundraising Association Fundamental Principles & Financial Practices* workshop for our School Councils.

The session was offered two nights in a row in different locations and was available to participants on both ends of the division. Based on feedback from the School Council members and division staff that attended, the workshop was exceptionally insightful and offered practical guidance, and our schools' fundraising groups were very interested and receptive to the things they've learned.

We look forward to working together to bring other great learning opportunities to our division and appreciate the valuable resources that ASCA provides.

Sincerely,
